

Activating Association Codes on Springer Link

Introduction

Welcome. If you are reading this then you have likely received an association code from your society, organisation or institution and are wondering how to use it.

If you are new to Springer Link, then please start at the beginning with registering a new account. If you already have a Springer Link account that you are using, then please jump ahead to slide 9: for instructions to activate Your Association Code.

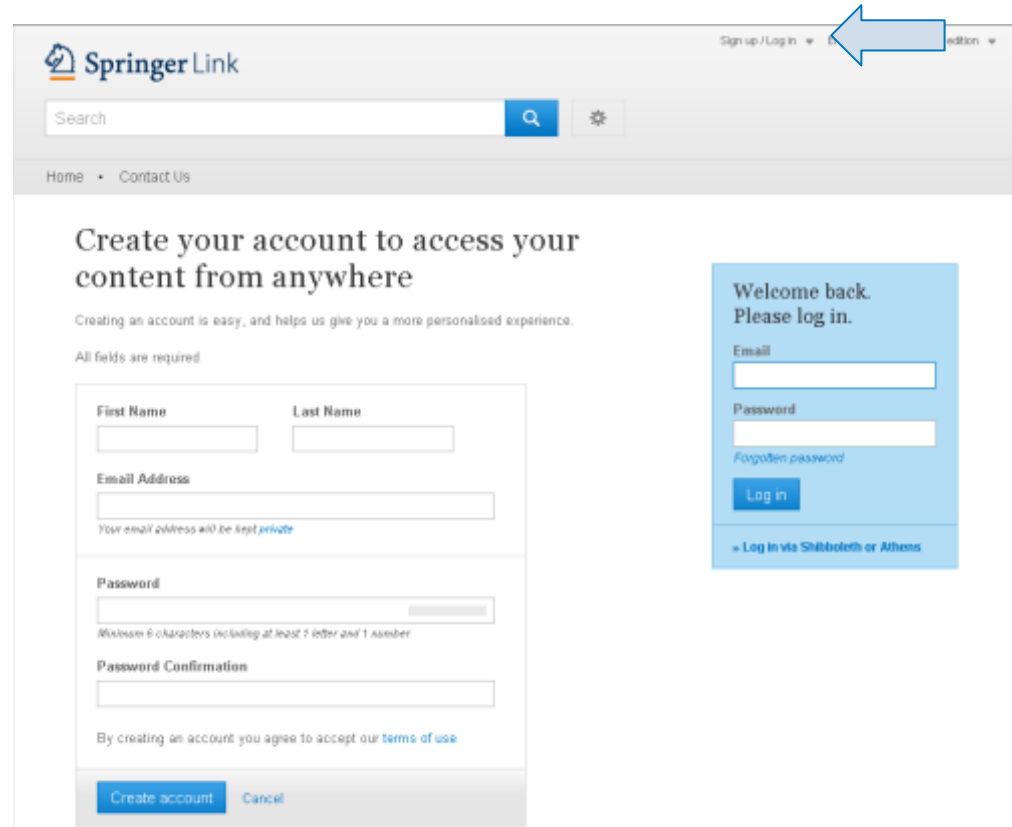

Contents:

- [Registering a New Account](#) Slide 3.
- [Resetting Your Password \(for a previously registered account\)](#) Slide 6.
- [Activating Your Association Code](#) Slide 9.
- [Accessing Journal Content](#) Slide 11.

If you need help at any time please contact us at onlineservice@springer.com

Registering a New Account

- Please go to <http://link.springer.com/>
- To register a new account on Springer Link please click on “Sign up / Log in”
- You will find this on the top-right-hand side of any Springer Link page.
- This is also where you go whenever you want to log in.

Registering a New Account

Please note:

- Your username for Springer Link will always be your email-address.
- Your password needs to meet the following requirements: Minimum 6 characters including at least 1 letter and 1 number.

When you have finished entering all your details please click on

Your account has now been successfully created.

Please click “Continue.”

After registration is complete, you may proceed to activate your Association Code.

Resetting Your Password

If you have previously registered an account with Springer link and have forgotten, or do not know, your password this can easily be reset.

An email address can only be registered once; so if you discover when signing up that your email has already been registered, as in the example below, then you can also use the following instructions to recover your account and set a new password.

Email Address

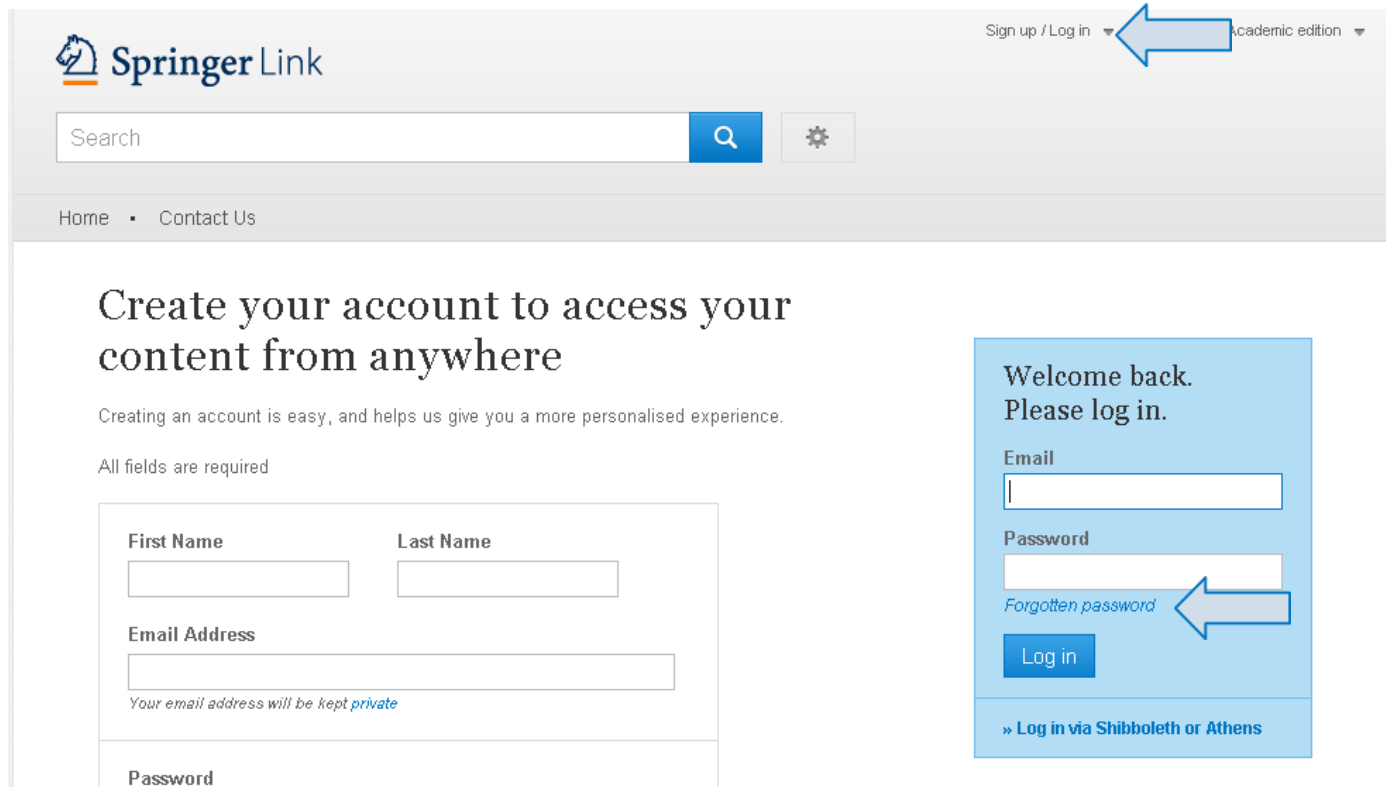

onlineservice@springer.com

*Your email address will be kept **private***

× An account already exists for this email, please enter a different email address

Resetting Your Password

- If you have not done so already please click the “Sign up/Log in” link (found in the top-right-hand-side of any Springer Link page).
- Now click on “*Forgotten password*” in the blue log in box.

The screenshot shows the Springer Link website interface. At the top right, there is a navigation bar with the text "Sign up / Log in" and a blue arrow pointing to it. Below this is the Springer Link logo and a search bar. The main content area is titled "Create your account to access your content from anywhere" and includes a form for account creation with fields for First Name, Last Name, Email Address, and Password. To the right of the account creation form is a blue box for logging in, titled "Welcome back. Please log in." It contains fields for Email and Password, a link for "Forgotten password" with a blue arrow pointing to it, a "Log in" button, and a link for "» Log in via Shibboleth or Athens".

Resetting Your Password

- Please enter your email address, then click on Submit.
- You will receive an email from onlineservice@springer.com including a link.
- Please click on the included link; then you will be directed to a secure page where you can enter your new password.
- Enter a new password. (Make sure your password contains 6 characters, alpha-numeric and at least one numeric.)
- You can now log in using your email address and newly created password.

Reset my password

Please enter the email address you used when registering for the site and we will send you an email which contains instructions for resetting your password.

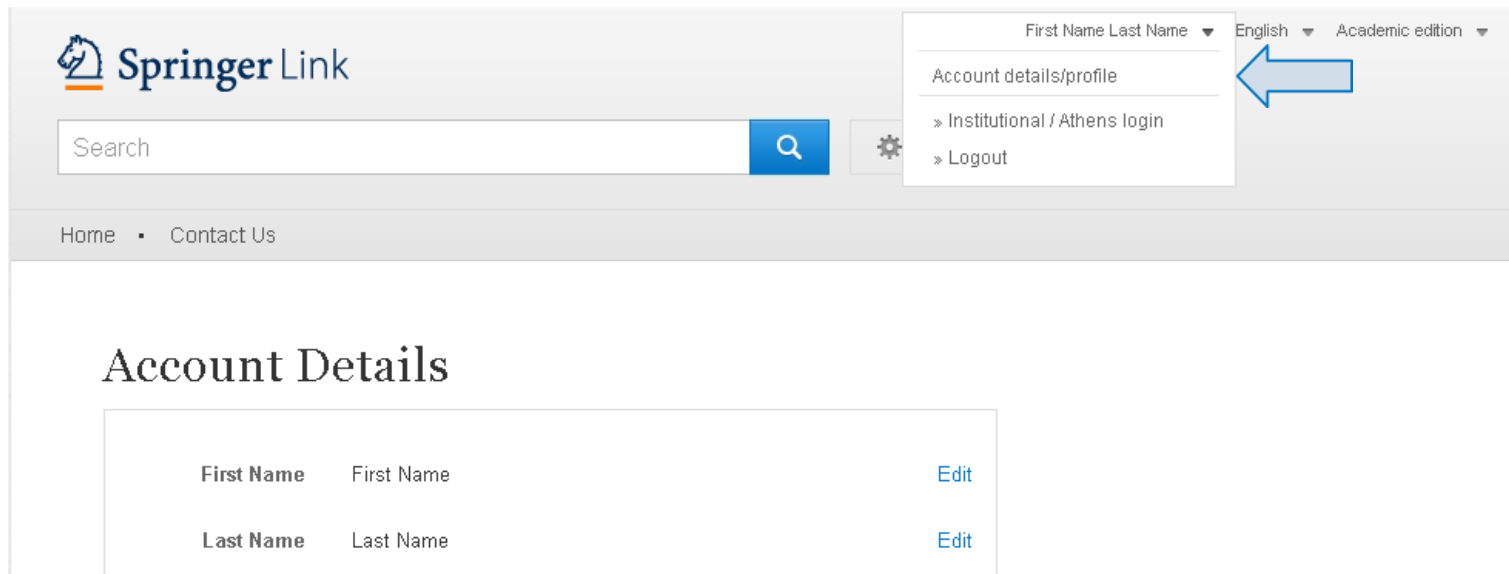

✓ **Email has been sent.**

When you receive your login information, follow the directions in the email to reset your password.

Activating Your Association Code

Once you have a Springer Link account you can activate your Association Code:

- Log in to your Springer Link account. (use the blue log in box).
- You will now see your name displayed on the top-right-hand side of the screen. Click the arrow next to your name.
- Click on “Account details/profile”.

The screenshot shows the Springer Link user interface. At the top left is the Springer Link logo. Below it is a search bar with the text "Search" and a magnifying glass icon. To the right of the search bar is a gear icon for settings. In the top right corner, there is a user profile dropdown menu. The menu is open, showing the user's name "First Name Last Name" with a dropdown arrow. Below the name are three options: "Account details/profile", "» Institutional / Athens login", and "» Logout". A blue arrow points to the "Account details/profile" option. To the right of the user name are two more dropdown menus: "English" and "Academic edition". Below the navigation bar, there are links for "Home" and "Contact Us". The main content area is titled "Account Details" and contains a table with two rows. The first row has "First Name" in bold, "First Name" in the input field, and "Edit" in blue text. The second row has "Last Name" in bold, "Last Name" in the input field, and "Edit" in blue text.

Activating Your Association Code

Entering your Association Code:

- We recommend **copying and pasting** your code in order to avoid any typing errors.
- Now click “Associate”.
- You should see a message informing you or your new access details.
- You are now an associated member of your society, institution or conference.

Important: it is now necessary to log out and then log back in for access to be updated.

Accessing Journal Content

- Once you have logged out and back in, you will have access to your publication.
- To locate your journal please search for the journal title in the Springer Link search box.
- Your results may include other titles as well as articles from the journal you are looking for.
- Please locate your journal title in the search results.
- It may sometimes be necessary to scroll through the list to find your journal.

The screenshot shows the Springer Link search interface. At the top, there is a search bar containing the text 'test'. Below the search bar, the results are displayed. On the left side, there is a 'Refine Your Search' section with several filters:

- Content Type:**

Article	1,854,337
Chapter	781,007
Reference Work Entry	22,198
Protocol	20,042
Book	995
Journal	5
Book Series	1
- Discipline:**

Medicine	795,900
Life Sciences	635,827
Biomedical Sciences	500,981
Chemistry	354,308
Computer Science	350,381
- Subdiscipline:**

Internal	290,907
Biochemistry & Biophysics	218,870
Plant Sciences	175,772
Ecology	147,872
Oncology	139,039

On the right side, the search results are shown. The top result is a journal titled 'TEST', with a cover image. Below it, there are several 'Reference Work Entry' results, each with a 'Test' title and a brief description. For example, one entry is 'The covering of scale insects (Hemiptera: various families). The test is a glandular secretion consisting of wax...' from the 'Encyclopedia of Entomology (2008)'. Another entry is 'Encyclopedia of Microfluidics and Nanofluidics (2008)'. A third entry is 'Der Test umfaßt 40 Aufgaben mit je fünf Alternativen...' from 'Entscheidungsprozesse in Frage und Antwort (1973)'. Each result includes a 'Get Access' link.

Accessing Journal Content

You can identify the correct result by the following:

- The word “Journal” will appear above the title.
- Where available an image of the journal cover will be displayed.

Click on the journal name to be taken to the journal’s home page.

2,678,185 Result(s) for 'test'

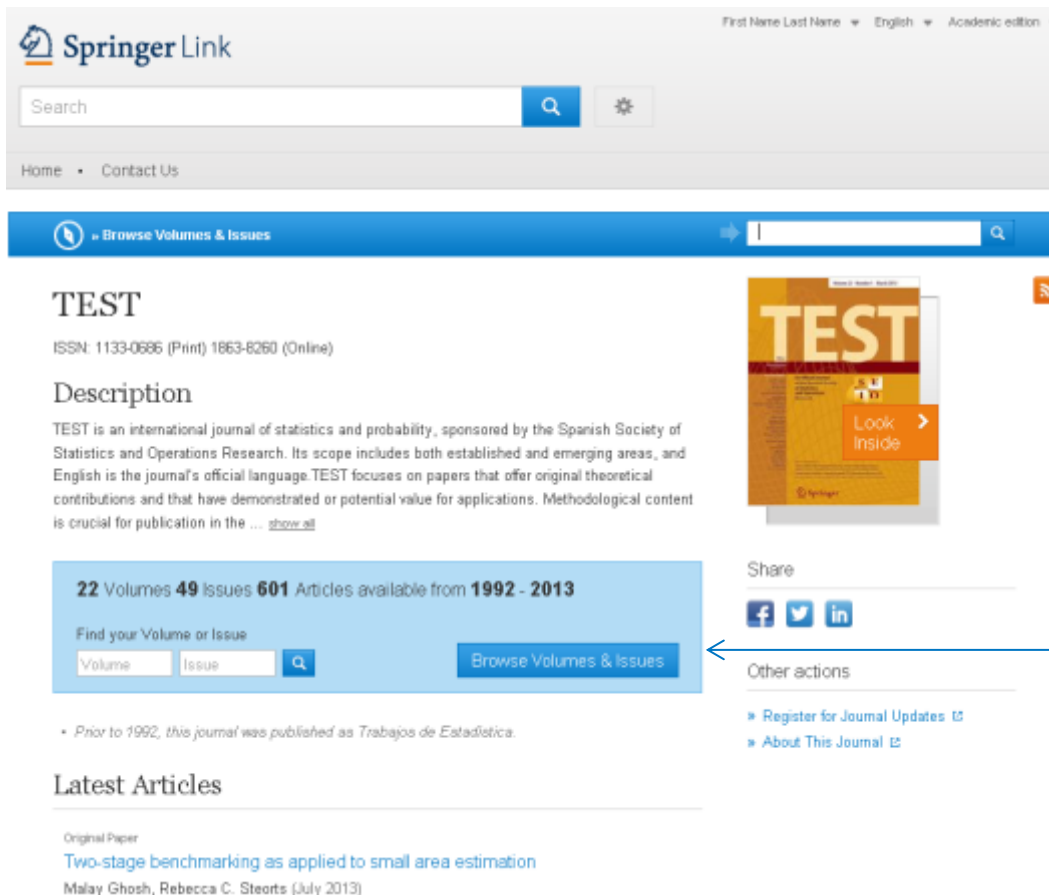

Sort By: Relevance | Date Published | Page 1 of 133,910

Journal

Accessing Journal Content

Now you are on the journal's homepage. Here the latest articles will always be displayed.

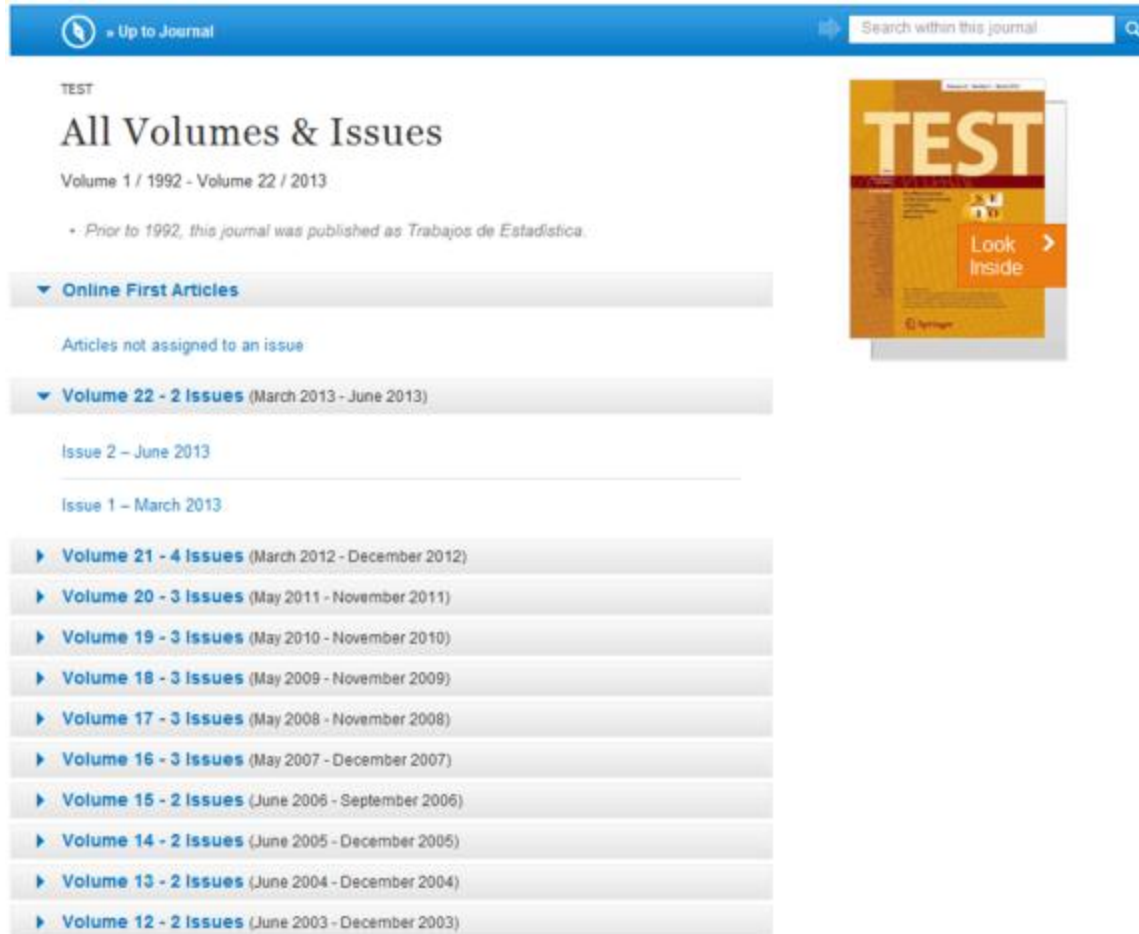

The screenshot shows the Springer Link interface for the journal TEST. At the top, there is a search bar and navigation links for 'Home' and 'Contact Us'. Below the search bar, a blue navigation bar contains a magnifying glass icon and the text 'Browse Volumes & Issues'. The main content area features the journal title 'TEST', its ISSN (1133-0686 for print, 1863-6260 for online), and a 'Description' section. A blue box highlights the journal's history: '22 Volumes 49 Issues 601 Articles available from 1992 - 2013'. Below this, there is a search box for 'Volume' and 'Issue' with a 'Browse Volumes & Issues' button. A blue arrow points from the text on the right to this button. The 'Latest Articles' section is partially visible at the bottom, showing an article titled 'Two-stage benchmarking as applied to small area estimation' by Malay Ghosh and Rebecca C. Steorts, dated July 2013.

To see all the available articles (including all back issues) click on “All Volume & Issues”.

Accessing Journal Content

Now you will see the whole content of the journal and you can make your own selection.

The screenshot shows the Springer Link interface for the journal 'TEST'. At the top, there is a blue navigation bar with a home icon and the text 'Up to Journal', and a search bar on the right with the placeholder text 'Search within this journal'. Below the navigation bar, the journal title 'TEST' is displayed in a large, bold font. Underneath the title, the text 'All Volumes & Issues' is shown, followed by 'Volume 1 / 1992 - Volume 22 / 2013'. A note indicates that prior to 1992, the journal was published as 'Trabajos de Estadística'. To the right of the main content, there is a thumbnail image of the journal cover with the word 'TEST' in large letters and a 'Look Inside' button. The main content area is organized into a list of volume and issue information, with expandable sections for each volume. The first section is 'Online First Articles', which is currently collapsed and shows 'Articles not assigned to an issue'. The second section is 'Volume 22 - 2 Issues (March 2013 - June 2013)', which is expanded to show 'Issue 2 - June 2013' and 'Issue 1 - March 2013'. Below this, there are several more volume sections, each with a right-pointing arrow indicating they are collapsed. These include Volume 21 (4 issues, March 2012 - December 2012), Volume 20 (3 issues, May 2011 - November 2011), Volume 19 (3 issues, May 2010 - November 2010), Volume 18 (3 issues, May 2009 - November 2009), Volume 17 (3 issues, May 2008 - November 2008), Volume 16 (3 issues, May 2007 - December 2007), Volume 15 (2 issues, June 2006 - September 2006), Volume 14 (2 issues, June 2005 - December 2005), Volume 13 (2 issues, June 2004 - December 2004), and Volume 12 (2 issues, June 2003 - December 2003).
